Cambridge High School Netball Club

Year 7 – Year 13

Our mission is to provide the sport of Netball to the Cambridge High School community so they may enjoy the physical, mental, and social benefits of belonging to a sporting club. This year we are extending our club to include Year 7 and 8 players from local Cambridge primary schools. We believe we are perfectly placed to cater for this age group and see this as a great opportunity to help intermediate players transition to high school netball.

The club offers opportunities to play (social and competitive), umpire, coach, manage and administrate the game of netball. We provide ongoing development and support to our players and volunteers.

The club is administrated by a volunteer committee including a CHS Teacher representative and student member. We aim to ensure everyone gets involved and continues enjoy the sport of netball.

OPEN DAY

Sunday 7 March 1pm – 2pm in the CHS Gym
25 Swayne Rd
(drive to the end of the long driveway)

Come along and talk to our committee about what we can offer this season, Registrations will be via this link and can be done anytime up to Wednesday 24 March 5pm.
