Welcome to Cambridge Middle School

Mihi kia koutou katoa; nau mai haere mai,

Welcome to Cambridge Middle School. We are aware that the transition to Middle School can be significant and we put a lot of effort into working with you and your child's contributing school to try to ensure this is as smooth for your child as possible. We are excited to have you as part of our CMS community and we look forward to working in partnership with you and your children.

Our Vision

The vision for our school is Connect, Inspire, Grow. If we are living our HERO values then we will be connecting with all of our community, students and staff in meaningful ways, and in turn our community will feel connected to the school and be positive contributors. We will have created environments, relationships and a curriculum that inspires people to be here and to want to improve. As a result, if we have created the conditions where people feel strongly connected and are inspired by the place they are in, then they will make a choice to put in effort to grow in many areas of their life. For us to enact this vision and our values, we need to keep a continued focus on embedding these as our CMS way of being and making deliberate and strategic links to all aspects of school life.

Middle Schooling

In the New Zealand Curriculum 'Learning in Years 7-10' is listed as its own learning pathway. Research indicates that these years are second only in developmental learning to the first 3 years of life. Research also suggests that the middle years of learning is the time when young people begin to make choices as individuals that will impact significantly on their lives. This is why we have a strong philosophy of providing a diverse range of opportunities for children to explore.

Our dedicated educators at Cambridge Middle School have a passion for teaching and learning in the middle years and are committed to ongoing professional

development. Our teachers develop strong relationships with their learners and are advocates for their needs. Cambridge Middle School prides itself on having a strong pedagogy to support middle years students. Our staff are committed to being informed, inclusive and innovative around the way we educate and care for our students. We have high expectations of student achievement in all facets of school life, and believe all learners need to be supported to develop skills and find their passion to become life-long learners. Promoting this in a positive and caring environment will ensure all students are prepared as effectively as possible, to become confident and connected citizens, who contribute positively to the Cambridge community.

What is important to us as a middle school?

At Cambridge Middle School we believe the emerging adolescent is a very special and unique age group to teach. It takes a balance of teaching knowledge, relationship building, caring and humour to be successful with middle school children. Children of this age are developing self-identity, opinions and an understanding of the world around them, and it takes people with a specific skill set and understanding to nurture them. We support this development through explicitly teaching and living our school HERO values of Happiness, Excellence, Relationships and Opportunities. We have a strong passion and commitment to developing programmes that support the academic, sporting, social/emotional and cultural development of our students. Our responsibility is to ensure that your child continues to receive a high quality education within a safe, respectful and supportive environment.

Daryl Gibbs**

Learning at CMS

At Cambridge Middle School we believe that young adolescent learners learn best when they are engaged and motivated. Our school embraces a conceptual curriculum that aims to spark curiosity and interest in the world around them. Our curriculum allows students to deepen their understanding of curriculum areas by applying their knowledge and skills through a school wide concept. Through our curriculum we look for opportunities to localise learning and tell important local stories that will connect our students to their whaanau, peers and their place in our world. We aim to **connect** our students to their learning and their community, **inspire** them to engage in deep learning, and support them to **grow** into well-rounded, thriving global citizens.

We encourage the development of resilience and a growth mindset. Risk takers require a comprehensive safety net and our PB4L approach to student welfare and our value of **Happiness**, where identity is valued and students feel cared for and safe, provides this. Our value of **Opportunity** challenges all students to look out for experiences that will allow them to find out more about their potential and we encourage students to show initiative. You and your child are encouraged to be actively involved on a four year journey that has the ability to make a significant difference in their life.

The majority of learning areas will be taught in a student's homeroom setting. Through our value of **Excellence** we encourage students to pursue their personal best. Throughout the year students will also have the opportunity to rotate through seven specialist teaching areas: Digital Technology; Food Technology; Fabric Technology; Science; Visual Art; Drama; and Music.

Our value of **Relationships** nurtures the bicultural and multicultural nature of New Zealand society by valuing diversity and celebrating the uniqueness of each student. We provide opportunities for students to build their knowledge of Tikanga and Te Reo Maaori throughout their time here. All students have the opportunity to participate in our Kapa Haka roopu where they will learn traditional and modern waiata, poi, actions, and our school haka. We value connections with all students' whaanau and actively encourage them to be involved in the school community and with their child's learning. Whaanau Hui are held during the year to further strengthen the bond between home and school to ensure that we hear the voices of our community.

PB4L in Class Behaviour Management

Cambridge Middle School is a PB4L school. PB4L is a Ministry of Education initiative where students are taught appropriate behaviour that will ultimately benefit their learning achievement. Clear processes are in place to support students to modify their behaviour.

Enrolment Zone

Our school enrolment zone came into effect effective from 01 January 2021. To view the confirmed zoning area for Cambridge Middle School (EZ = Enrolment Zone, TEZ = Transport Entitlement Zone) go to www.cms.school.nz/cms-enrolment-and-zone/. The confirmed boundary now brings the zone down to the Pukemoremore Road/Victoria Road intersection, travels east along Pukemoremore Road (includes Lang Road) to the intersection with Scotsman Valley Road, turns right into Scotsman Valley Road – the zone ends at number 491 Scotsman Valley Road (includes Scotsvale Drive).

You will find the link for online enrolments for 2022 under Enrolment Procedures below. If families appear to be out of zone, they are welcome to call us; we do advise those families to submit an online enrolment form (or send a completed hard copy form to us) by the due date of 25 August 2021. We will then contact out of zone families with information about our set capacity and ballot numbers and procedures.

Enrolment Procedure

Students attending Leamington, Cambridge East, Roto-o-Rangi, Goodwood, Cambridge Primary and Karapiro are enrolled as a matter of course if in-zone unless parents notify the contributing school otherwise. Go to www.cms.school.nz/cms-enrolment-and-zone/ to access our online enrolment form.

External Services

Counselling

www.cambridgelifeskills.co.nz

Cambridge Middle School offers a counselling service using counsellors paid for from the Lifeskills Trust. Counsellors are available most days of the week.

24-7 Youth Workers

We are fortunate to have a connection with Raleigh Street Christian Centre who provide us with two Youth Workers. They are an essential part of our school's pastoral team. During the week they will be out in the playground at break times running lunchtime activities, joining in with sport or simply hanging out with students. Every Monday, Wednesday and Friday morning tea they help with our Kickstart Breakfast Club serving milk, Weet-Bix and Milo (in the colder months).

The remaining hours are in class time where they are helping out with school led activities, one-on-one mentoring, helping with school trips, etc. The Youth Pastor meets with the Key Deputy Principal weekly to plan and review to ensure transparency and effective practice.

Sports at CMS

Cambridge Middle School students have the opportunity to play a wide and varied range of sports all year round. We are very fortunate in this regard and really appreciate the efforts of the staff and volunteers who help organise and support sports in our region.

School Based Sports:

Our courts have been laid with Tiger Turf providing us with an all-weather court. During the school day we offer the following:

- Physical Education Programme
- Activities at lunch intervals e.g. inter-class competitions, practice sessions, fun games
- Competition - Athletics, Cross Country and Swimming

Local Leagues & Competitions:

Teams are entered in the following union/association competitions: Basketball, Cricket, Football, Hockey, Lacrosse, Netball, Rugby, Softball, Touch and Water Polo. Some of these codes are catered for via clubs. We support these groups by promoting, advertising and referring interested students. Outside the pursuits already mentioned the sports group also promotes: Golf, Squash, Cycling, Multi Sports, MotoX, Sailing and Equestrian.

Regional WIMSS Sports:

During the year we are given the opportunity to enter the competitive arena via the following sports: Athletics, Badminton, Basketball, Cricket, Cross Country, Football, Hockey, Lacrosse, Netball, Rugby, Swimming, Tennis, Touch, Triathlon and Volleyball. Teams/individuals are chosen on merit, along with a high standard of sportsmanship, correct sports uniform and citizenship.

Anchor AIMS Games:

This is a great opportunity for competitive sports people to participate against the country's greatest. Held in Tauranga/Mount Maunganui during September, it is the biggest multi-sport event for 11, 12 and 13 year olds in the Southern Hemisphere with over 10,000 athletes attending.

Check out our school website to access further information about opportunities and the various sports and sporting events offered at Cambridge Middle School www.cms.school.nz.
